

**TexasVoiceCenter**  
Voice, Swallowing, and General ENT

Dear Patient:

Thank you for choosing the Texas Voice Center for your otolaryngology specialty care. Drs. Stasney and Thekdi and the Texas Voice Center provide state-of-the-art care for all voice-related disorders, as well as swallowing and general ENT disorders.

To enable our office to provide more timely service, please complete these forms prior to your visit and present them to our front desk receptionist upon your arrival. Insurance company policies require proof of identity- *patients/guardians or your representative must present a photo ID and your insurance card/documentation at the time of your clinic visit.*

**If a referral is required by your managed care plan, it MUST be received in our office by your appointment time. If we have not received the referral by the time of your arrival, your appointment will be rescheduled.**

As we are subspecialists and often use special equipment for diagnostic and treatment purposes during office visits, certain procedures performed during typical office visits are usually not covered under insurance copay policies but fall under a procedure category that may apply toward your coinsurance or deductible. When this is the case, you will be responsible for the copay plus the coinsurance/deductible amount. You can call the office the day prior to your appointment for an estimate of the amount for which you will be responsible.

All patients are seen in the order of scheduled appointments only. Traffic and parking can sometimes cause delays, so please allow enough travel time to assure your prompt arrival. As parking is sometimes difficult to find, using the Valet parking service can be very convenient. Valet parking rates range from \$10.00 (up to 2 hours) to \$13.00 for up to 24-hours.

In consideration of other patients, please call (713) 796- 2181 ext. 135 at least twenty-four hours prior to your scheduled appointment if you are unable to keep your appointment so that we can help you reschedule.

If you are scheduled for an evaluation of a chronic problem (lasting more than 3-4 weeks) and you develop an acute illness, please call us to reschedule your appointment, as the acute illness may interfere with the proper diagnosis of the underlying chronic condition.

We look forward to seeing you and assisting in your care.

Sincerely yours,

Dr. C. Richard Stasney, Dr. Apurva Thekdi, and Staff

6550 Fannin, Suite 2025  
Houston, TX 77030  
(713) 796-2181

**CONSENT FOR TREATMENT**

*All procedures will be explained to you.  
 Specialized procedures may require an additional consent form.*

“I hereby consent to a general and specialized examination of my head, neck and organ systems relating to my condition. I understand that the examination and treatment *may* include any of the following:

- General medical history
- Inspection of my head, ears, eyes, nose, mouth, throat and neck
- Examination with mirrors or lighted scopes (endoscopy)
- Examination of the chest, abdomen and nervous system, when appropriate
- Examination and cleaning of my ears under a microscope
- The use of topical or local anesthesia
- The use of ear impression materials for ear related products, equipment or services
- The application or injection of antibiotics or other therapeutic drugs
- The collection of secretions, sputum or drainage
- Venipuncture for blood collection
- X-rays, hearing and balance studies, or audiologic testing when indicated
- Photographic or video documentation of my findings

“I understand that my medical information, including photographs or videotapes, will be handled confidentially and that my identity will remain anonymous in any presentation of case materials.”

“I have the right to ask questions regarding the purposes and risks of the examination, diagnostic studies and treatments.”

“I understand that this consent remains in effect for all subsequent clinic visits to Texas Voice Center (TVC), and applies to all physicians in the group as well as medical staff assisting the physicians.”

“I am over 18 years of age, and therefore have the legal right to consent to this treatment.”

Patient’s Signature \_\_\_\_\_ Date \_\_\_\_\_

-----  
*If patient is a Minor (under age 18, unmarried, not financially independent, not in the armed forces on active duty), parent or legal guardian MUST SIGN BEFORE patient is examined.*

Patient’s Name \_\_\_\_\_ Date \_\_\_\_\_

Signature of parent or legal guardian \_\_\_\_\_ Date \_\_\_\_\_

**FINANCIAL POLICY**

Thank you for selecting Texas Voice Center (TVC) for your medical care. In order to prevent any misunderstanding over the responsibility of payment for medical and surgical services provided to our patients, we supply you with the following information:

The patient, guarantor, or the person bringing the patient (if the patient is a minor), is responsible for payment of any balance due following the office visit, test or procedure. We accept cash, personal checks (NSF charge: \$25), and credit cards (American Express, Discover, VISA, MasterCard). In the case of divorced parents, the parent bringing the child to the office is responsible for payment of any balance due at the time of service. Should you need documentation to secure reimbursement, a copy of the bill is furnished at each visit.

If a referral from your primary care physician is required by your insurance plan, it must be received in our office by your appointment time. If we have not received the referral by the time of your arrival, your appointment will be rescheduled. You will be asked for your insurance card and driver’s license at the registration desk for identification purposes.

TVC Contracted Insurance Coverage (In-Network benefits)

If you have coverage through an insurance company that has a contract with the doctor you are seeing, we require a copy of your insurance card and payment of your deductible and/or co-insurance at the time of service.

Non-TVC Contracted Insurance Coverage (Out-of-Network benefits)

If you have coverage through an insurance company that does not have a contract with the doctor you are seeing, we require a copy of your insurance card, and payment of your out-of-network deductible and/or co-insurance at the time of service. We will file the claim as a service to you.

Medicare

Office visits to a doctor are covered under Part B of the Medicare program. Medicare pays 80% of their allowable charges after you pay the annual deductible for the calendar year, and you are responsible for any non-covered services. If you have supplemental insurance, we will be glad to file it for you.

---

I have read all the information above and agree that, regardless of my insurance status, I am responsible for my account balance for any professional services rendered. Disclosed, non-covered medical services are my responsibility.

In the event my insurance company is billed, I irrevocably assign and transfer benefits to Texas Voice Center. A photocopy of this agreement shall be considered as effective and valid as the original.

Signature of responsible party \_\_\_\_\_ Date \_\_\_\_\_  
*I authorize the release of any medical information necessary to process my claims.*

**Consent to Obtain Medication History**

Our medical practice has adopted an electronic medical record system in order to improve the quality of our services. This system also allows us to collect and review your “medication history.” A medication history is a list of prescription medicines that we or other doctors have recently prescribed for you. This list is collected from a variety of sources, including your pharmacy and your health insurer.

An accurate medication history is very important to helping us treat you properly and in avoiding potentially dangerous drug interactions.

By signing this consent form you give us permission to collect, and give your pharmacy and your health plan permission to disclose, information about your prescriptions that have been filled at any pharmacy or covered by any health insurance plan. This includes prescription medicines to treat AIDS/HIV and medicines used to treat mental health conditions, such as depression. This information will become part of your medical record.

This medication history is a useful guide, but it may not be completely accurate. Some pharmacies do not make drug history available to us, and the drug history from your health plan might not include drugs that you purchased without using your health insurance. Your medication history might not include over the counter medicines, supplements or herbal remedies. It is still very important for us to take the time discuss everything you are taking, and for you to point out to us any errors in your medication history.

**I give permission for you to obtain my medication history from my pharmacy, my health plans and my other healthcare providers.**

**TexasVoiceCenter**  
Voice, Swallowing, and General ENT

**Smith Tower**  
**6550 Fannin Street, Suite 2025**  
**Houston, Texas 77030**  
**713-796-2181 Fax: 713-796-2349**

**Directions to our Medical Center Office:**

Smith Tower is located across from The Methodist Hospital on Fannin Street and opposite the Scurlock Tower on University Blvd. The building occupies the entire block at the intersection of Main St., University, and Fannin. Valet and self-parking areas can be accessed through any of the building's entrances. As parking is sometimes difficult to find, using the Valet parking service can be very convenient. The cost for Valet parking is the same as self-park plus any tip you may choose to give. Parking rates range from \$5.00 (up to 2 hours), to \$11.00 for 24-hour parking. Texas ENT Consultants does not validate parking tickets.

**From the West:**

Follow Interstate 10 east toward Houston; exit 610 south (past the Galleria), then merge onto 59 north (toward downtown Houston). Follow 59 north to the Greenbriar/Shepherd exit; turn right onto Greenbriar (first intersection); follow Greenbriar heading south several blocks to University Blvd. (Rice Stadium will be on the left); turn left onto University; follow University to Main Street. Smith Tower is the building across Main on the left side of the street. The parking lot is accessible from Main Street, University Blvd. and Fannin Street (although it is more difficult to enter from Fannin).

**From the East:**

Take Interstate 10 west toward Houston; exit onto 59 south toward Victoria. Follow 59 south to the Fannin Street exit, then follow Fannin south appx. 2 miles (you will pass Hermann Park and Hermann Hospital, Ross Sterling Ave. and John Freeman [Baylor Plaza] on your left). Smith Tower is on the right-hand corner of the next intersection (University Blvd). There is an entrance to Valet and self-park before the University intersection, at the NE corner of the building. There are additional entrances on University and on Main.

**From the North:**

On Interstate 45, head south to 59 south toward Victoria. Follow 59 south to the Fannin Street exit, then follow Fannin south appx. 2 miles (you will pass Hermann Park and Hermann Hospital, Ross Sterling Ave. and John Freeman Blvd [Baylor Plaza] on your left). Smith Tower is on the right-hand corner of the next intersection (University Blvd). There is an entrance to Valet and self-park before the University intersection, at the NE corner of the building. There are additional entrances on University and on Main.

**From the Northwest:**

Follow 290 southeast toward 610 south. Go past the Galleria, then merge onto 59 north (toward downtown Houston). Follow 59 north to the Greenbriar/Shepherd exit; turn right onto Greenbriar (first intersection); follow Greenbriar heading south several blocks to University Blvd. (Rice Stadium will be on the left); turn left onto University; follow University to Main Street. Smith Tower is the building across Main on the left side of the street. The parking lot is accessible from Main Street, University Blvd. and Fannin Street (although it is more difficult to enter from Fannin).

**From the Northeast:**

Follow 59 south toward Victoria; exit onto Fannin Street, then follow Fannin south appx. 2 miles (you will pass Hermann Park and Hermann Hospital, Ross Sterling Ave. and John Freeman Blvd [Baylor Plaza] on your left). Smith Tower is on the right-hand corner of the next intersection (University Blvd). There is an entrance to Valet and self-park before the University intersection, at the NE corner of the building. There are additional entrances on University and on Main.

**From the South:**

Take 288 north to 610 west. Follow 610 west to the Fannin Street exit. Turn right onto Fannin and stay to the right when the road splits. Proceed to University Blvd. (appx. the fourth intersection after the split, located directly in front of The Methodist Hospital); turn left onto University and enter the building's Valet/self-park area from the second driveway on the right.

**From the Southwest:**

Take 59 north toward Houston; exit at Greenbriar/Shepherd exit; turn right onto Greenbriar (first intersection); follow Greenbriar heading south several blocks to University Blvd. (Rice Stadium will be on the left); turn left onto University; follow University to Main Street. Smith Tower is the building across Main on the left side of the street. The parking lot is accessible from Main Street, University Blvd. and Fannin Street (although it is more difficult to enter from Fannin).

**From the Southeast:**

On Interstate 45 head north to 610 west. Follow 610 west to the Fannin Street exit. Turn right onto Fannin and stay to the right when the road splits. Proceed to University Blvd. (appx. the fourth intersection after the split, located directly in front of The Methodist Hospital); turn left onto University and enter the building's Valet/self-park area from the second driveway on the right.
